# BEEHIVE

By Brendan Taaffe

Create words using letters from the beehive. Each word must be more than three letters long and use the center letter at least once. Score one point for each word and three points for each pangram (any word that uses all seven letters). Letters may be used more than once in a word. Our solution list (worth 42 points, on page 43) doesn't include proper nouns, obscure or hyphenated words, medical terms, or obscenities.

This puzzle is inspired by "Spelling Bee," published in the New York Times.
