Independent Auditor's Report

To the Board of Directors of Country Dance and Song Society, Inc.

Opinion

We have audited the accompanying financial statements of Country Dance and Song Society, Inc. (a nonprofit organization), which comprise the statement of financial position as of December 31, 2022, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Country Dance and Song Society, Inc. as of December 31, 2022, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Country Dance and Song Society, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Country Dance and Song Society, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- · Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to
 fraud or error, and design and perform audit procedures responsive to those risks. Such
 procedures include examining, on a test basis, evidence regarding the amounts and disclosures in
 the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures
 that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the
 effectiveness of Country Dance and Song Society, Inc.'s internal control. Accordingly, no such
 opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant
 accounting estimates made by management, as well as evaluate the overall presentation of the
 financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about Country Dance and Song Society, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit finding, and certain internal control related matters that we identified during the audit.

Note 1 - Summary of Significant Accounting Policies

Nature of Activities

The Country Dance and Song Society, Inc. (the "Organization") was founded in 1915 and is a Massachusetts not-for-profit corporation. The purpose of the Organization is the preservation and promotion of historical and contemporary English and North American dance, folk song, and instrumental music traditions. This mission is carried out through the implementation of three programs: camps, education and outreach, and sales and service.

Basis of Presentation

The financial statements of the Organization have been prepared in accordance with U.S. generally accepted accounting principles ("US GAAP"), which requires the Organization to report information regarding its financial position and activities according to the following net asset classifications:

Net assets without donor restrictions: Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Organization. These net assets may be used at the discretion of the Organization's management and the board of directors.

Net assets with donor restrictions: Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Organization or by the passage of time.

Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statements of activities.

The financial statements include certain prior year summarized comparative information in total, but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with GAAP. Accordingly, such information should be read in conjunction with the Organization's financial statements for the year ended December 31, 2021, from which the summarized information was derived.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Pledges Receivable and Allowance for Uncollectible Accounts

Pledge receivables are reported at the original pledged amount less an allowance for doubtful accounts and less a present value discount for long term pledges. The Organization utilizes the current yield rate on U.S. Treasury bonds in calculating the discount.

Note 1 - Summary of Significant Accounting Policies-continued

Inventory

Inventory consists of books, recordings, compact discs, and videos relating to English and North American traditional dance music and song. Inventory is stated at the lower of cost or net realizable value.

Property and Equipment

Property and equipment purchased by the Organization with a cost of more than \$750 are capitalized at cost. Donated assets in excess of \$750 are capitalized at their fair market value at the time of the donation. Depreciation is computed using the straight-line method over the asset's useful life. Depreciable lives of the Organization's equipment, furniture, and software is 5 to 10 years and depreciable lives of the leasehold improvements is 10 years.

Leases

The Organization leases various pieces of equipment under noncancelable operating leases. The determination of whether an arrangement is a lease is made at the lease's inception. Under ASC 842, a contract is (or contains) a lease if it conveys the right to control the use of an identified asset for a period of time in exchange for consideration. Control is defined under the standard as having both the right to obtain substantially all of the economic benefits from use of the asset and the right to direct the use of the asset. Management only reassesses its determination if the terms and conditions of the contract are changed.

The operating leases are included in operating lease right-of-use ("ROU") assets, current liabilities and long-term liabilities.

The ROU asset represents our right to use an underlying asset for the lease term, and lease liabilities represent our obligation to make lease payments. The operating lease ROU assets and liabilities are recognized at the lease commencement date based on the present value of lease payments over the lease term. The Organization uses the implicit rate when it is readily determinable. Since the lease does not contain an implicit rate, the Organization uses a risk-free rate as the discount rate. Lease expense for lease payments is recognized on a straight-line basis over the lease term.

The Organization's lease agreement contains lease and non-lease components, which are accounted for separately with amounts allocated to the lease and non-lease components based on stand-alone prices.

Investments

Investments with readily determinable fair values and all investments in debt securities are reported at their fair values in the statement of financial position. Unrealized gains and losses are included in the change in net assets. Investment income and gains restricted by a donor are reported as increases in unrestricted net assets if the restrictions are met (either by passage of time or by use) in the reporting period in which the income and gains are recognized.

Note 1 - Summary of Significant Accounting Policies-continued

Revenue Recognition

The Organization recognizes revenue from several different types of contractual relationships. Revenue from all these contracts is based on a set transaction price.

Summer camp - Revenue from summer camp programs is recognized at the commencement of each camp.

Membership Services-Group insurance - Members can purchase insurance through the Organization under a group policy. Revenue from group insurance is recognized over the course of the underlying policy period. Payments for insurance that apply to the following year are recorded on the statement of financial position as deferred revenue.

Membership Services-Group exemption - Member organizations can take advantage of CDSS's tax exempt status by enrolling under the group exemption. Revenue from the group exemption service is recognized upon enrollment.

Sales and Cost of Sales

Sales of inventory are reported net of any returns and discounts. Costs of sales are reported net of purchase discounts and it includes shipping costs.

Functional Expenses

The costs of providing program and other activities have been summarized on a functional basis on the statement of activities. Accordingly, certain costs have been allocated among the program and supporting services benefitted. Such allocations are determined by management on an equitable basis. The expenses that the Organization allocates include payroll and related expenses and they are allocated based on the time and effort put forth in the respective program and supporting services. Other expenses that the Organization allocates based on each program and supporting services' utilization include rent, certain professional services, and office and related expenses.

Income Tax Status

The Organization is exempt from federal income tax under section 501 (c)(3) of the Internal Revenue Code and has been determined not to be a private foundation by the Internal Revenue Service. The Organization is also exempt from Massachusetts income tax.

Accumulated Amortization	\$ -	\$ -

Depreciation and amortization expense was \$67,070 and 74,704 for the years ended December 31, 2022 and 2021, respectively.

Note 5 - Investments

The Organization reports its qualifying assets and liabilities in accordance with the Fair Value Measurements and Disclosures Standards under U.S. GAAP (ASC-820). These standards define fair value, establish a framework for measuring fair value, and expand disclosures about fair value measurements. This policy establishes a fair value framework that prioritizes the inputs and assumptions used to measure fair value.

The three levels of the fair value framework are as follows:

- Level 1 Inputs that reflect unadjusted quoted prices in active markets for identical assets or liabilities at the measurement date.
- Level 2 Inputs other than quoted prices in active markets that are observable for the
 asset either directly or indirectly, including inputs in markets that are not considered to be
 active.
- Level 3 Inputs that are unobservable.

A qualifying asset or liability's level within the framework is based upon the lowest level of any input that is significant to the fair value measurement.

Note 5 - Investments-continued

The Organization's investments are all considered level 1 under the fair value hierarchy. The fair value of the investments as of December 31, 2022 and 2021 was as follows:

	 2022	 2021
Money market funds	\$ 288,444	\$ 332,688

The loan is to be repaid in monthly installments of \$641, including principal and interest, over 30 years from the date of the loan. The loan bears interest at the rate of 2.75%. The balance of the loan as of December 31, 2022 and 2021 was \$148,831 and \$150,000, respectively.

Maturities of the debt as of December 31, 2022 are as follows:

2023	\$	3,645

2025		3,851
2026		3,958
2027		4,068
Thereafter	1	29,573

Note 7 - Line of Credit

The Organization has a line of credit with a bank payable on demand. The maximum amount of the line of credit is \$100,000 and carries an interest rate of the bank's prime rate. The line of credit can be terminated upon written request of either party and is secured by the assets of the Organization. There was no outstanding balance on the credit line as of December 31, 2022 and 2021.

Note 8 - Leases

The Organization has several leases that are classified as operating leases. The operating lease cost for the years ended December 31, 2022 and 2021 was \$38,714 and \$31,046, respectively. The operating lease for office space terminated in August 2022, and was month to month until February 2023 until a new operating lease contract was signed.

Note 9 - Availability and Liquidity

The following reflects the Organization's financial assets as of December 31, 2022 and 2021, reduced by amounts not available for general use because of contractual or donor-imposed restrictions.

	2021

(381,206)	(456,559)
\$ 765,078	\$ 1,004,545

CDSS' goal is to maintain financial assets to meet 90 days of operating expenses.

Note 10 - Net Assets with Donor Restrictions

Net assets with donor restrictions as of December 31, 2021 of \$155,567 consisted of \$98,287 in multi-year pledges that were time restricted and \$57,280 of unexpended donor restricted funds for program purposes.

Note 11 - Funds Functioning as Endowment

The Organization's Board of Directors has established a board designated endowment fund. As of December 31, 2022 and 2021, The Organization had the following endowment related activities:

		2022	2021
Endowment net assets, beginning of year Contributions	\$	456,559	\$ 419,639
Investment return		13,975	1,080
Investment income		7,669	2,691
Realized and unrealized gains (losses)		(80,151)	38,083
		(72,482)	40,774
Appropriation for expenditure	-	(16,846)	(4,934)
Endowment net assets, end of year	\$	381,206	\$ 456,559

The Organization considers many factors in making a determination on how to appropriate or accumulate the funds including: the duration and preservation of the fund, the purpose of the fund, the general economic conditions, the possible effect of inflation and deflation, the expected total return from income and the appreciation of investments, other resources of the Organization, and the investment policies of the Organization.

The Organization annually approves a spending amount based on the historical investment returns of the board designated endowment fund that will be available for appropriation.

Note 12 - Retirement Plan Costs

The Organization has a defined contribution retirement plan that permits employees to make tax deferred contributions up to the amounts permitted by the Internal Revenue Code. Employees become eligible to participate after two years of service as defined in the Plan. The Organization matches employee contributions in amounts between 1% and 5% of employee compensation, depending on the participant's years of services. Total retirement plan expense for the years ended December 31, 2022 and 2021 was \$7,987 and \$8,783, respectively.
